

## Effective Parent-Teacher Meetings using Education Modified Reports

Parents want transparency and to feel confident that your team is meeting the unique needs of their child. Empower your special educators during parent-teacher conferences by using **Education Modified Reports**.

# Use EdMod to Facilitate Effective Parent-Teacher Meetings

Several elements of the Education Modified platform are useful to share with parents. **More transparent** than compliance documents and test data, you can pick and choose parts of the EdMod platform to email or print & hand out during meetings to facilitate meaningful discussion, beyond just grades and test scores!

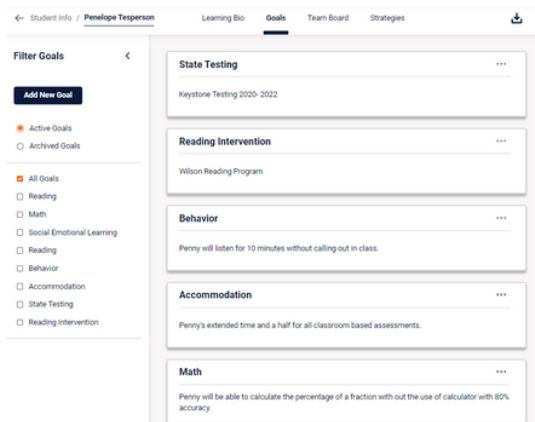

## Learning Biography

Share relevant information from the IEP or 504 plan, accommodations, documents, and more by printing the Snapshot & other sections from your student's Learning Biography tab.

To print, click on the  then on "export" to print

## Goals

Create reports of goals that students are working on so parents can see progress, notes, evidence, artifacts or student work that support progress, and even what data collection tools you are using to collect this data for your student.

Classification Overview

AUTISM SPECTRUM DISORDER

**Autism Spectrum Disorder** is a persistent deficit in social communication and interaction often coupled with restrictive and repetitive patterns of behavior not better explained by intellectual disabilities.

**DSM-5\* Details**

- Deficits in social-emotional reciprocity such as back-and-forth conversation.
- Deficits in non-verbal communication behaviors.
- Lack of empathy or limited response to the emotions of others.
- Difficultly initiating social interaction.
- Inflexible behavior or difficulty coping with change.
- Repetitive motor movements, use of objects or speech.
- Difficultly changing focus or switching between activities.
- Highly restricted, fixated interests that are abnormal in intensity.

**What Teachers Should Look For**

**SKILL GAPS**

**RESOURCES**

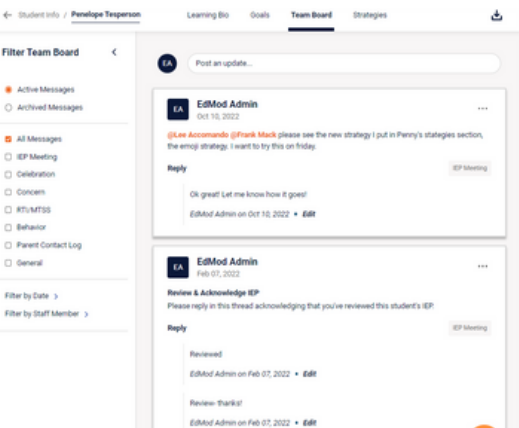

- Autism Spectrum Disorder Basics
- The 4 Steps to Success

# Classification Overview

Do your parents need more information & resources about their child's disability? Download it instantly in EdMod for them!

*These include all classifications under IDEA and a wide variety under the DSM-5. They are vetted by our team and include research-based, 3rd party resources!*

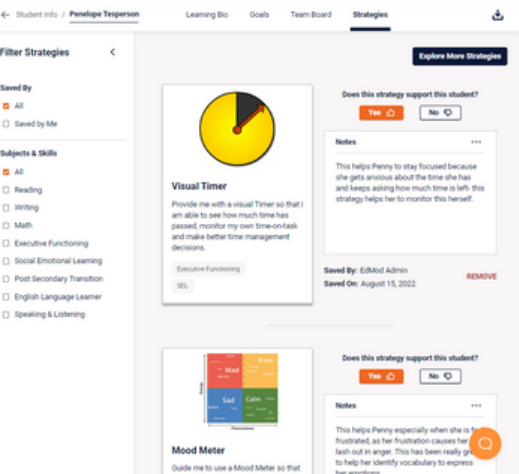

# Team Board

Highlight positive communication such as celebrations, documentation of collaboration about interventions, behavior, and more by choosing message channels to share with parents!

*To print, click on the download icon then on "export" to print*

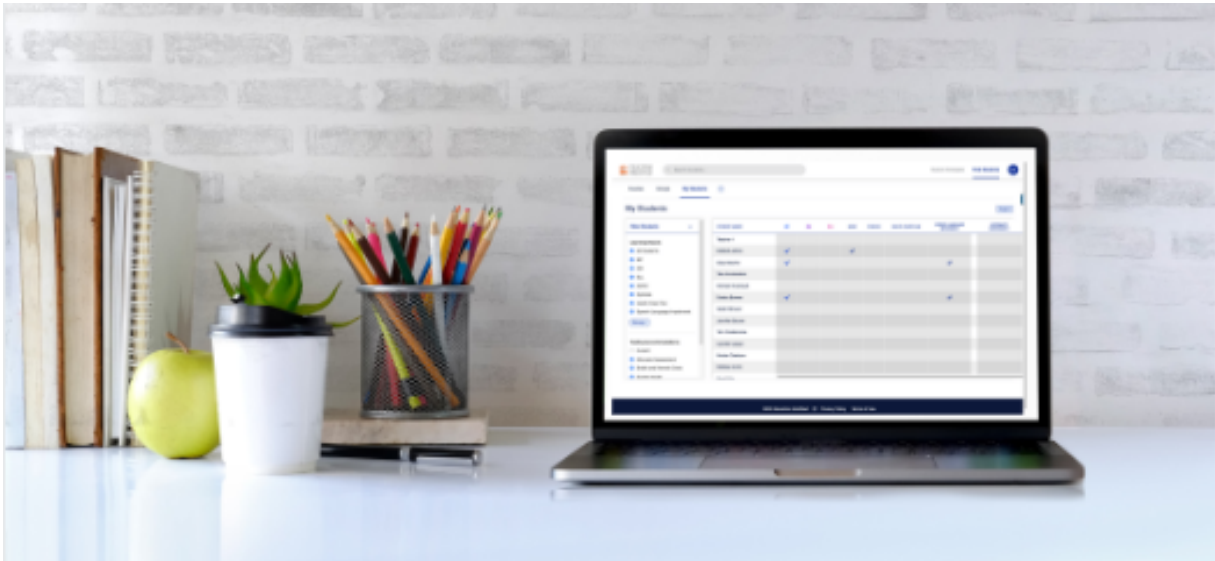

# Strategies

Parents want transparency, and the most effective way to do that is by sharing exactly what strategies are being implemented in the classroom with their child, what is working or not working, and what notes staff are documenting on the success of strategies

*To print, click on the download icon then on "export" to print*
