

# Special Education Data

AT YOUR FINGERTIPS

## WANT TO:

- ✓ Know who gets extended time on a Math test?
- ✓ View all Tier 2 kids in this class?
- ✓ See every student with an IEP meeting this month?
- ✓ See who needs audio book for ELA class?
- ✓ EdMod pulls data automatically from IEPWriter to take things off of your team's plate.
- ✓ No more creating, downloading, or uploading IEPs at a Glance.
- ✓ Ensure every teacher has all the information, for every plan, in one place.
